

Dear Friends:

We are excited to invite you to join us in a new program called **Vintners for Veterans** which is our way of saying a heartfelt “thank you” to the men and women who have bravely and proudly served our country, and now live at the Veterans’ Home of California at Yountville.

Here’s how **Vintners for Veterans** works - each week, a different Napa Valley Winery has the opportunity to provide their wines – a **minimum of one case of white wine, and one and one-half cases of red wine** - to accompany the Sunday meal served in the dining room at the Veterans’ Home. This is the most special meal of the week for the residents, and the day they often enjoy visits from friends and family.

Wineries may choose to have representatives on-site from 11:00 AM to 1:00 PM to pour the wines, or we will pick up your donated wines, and arrange to have them poured by friendly volunteers who will visit with the Vets, and share any information about the wines that the winery sends along.

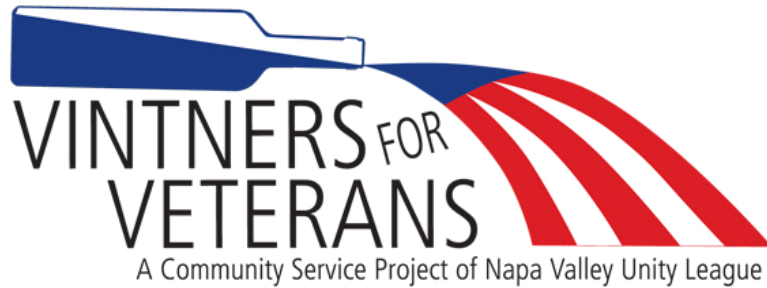

The pouring table will also feature prominent signage displaying the name of the donating winery, and Napa Valley Unity League plans to maintain a website that acknowledges each participating winery, and provides a link to the winery’s website.

With the abundance of great wines that flow from Napa Valley, we think the Vintners for Veterans program is a uniquely Napa Valley way of showing our gratitude to the women and men who have preserved our freedoms across the years. Won’t you join day by filling out the enclosed participation agreement, and emailing or mailing it back to us? We’ll follow up to confirm your participation and make any arrangements that are needed.

On behalf of the more than 1,000 Veterans who live at California Veterans’ Home at Yountville, thanks so much for considering participation in Vintners for Veterans. If you have any questions, please feel free to be in touch with me.

Yours truly,
Deb Stallings, Project Chair

PS – If your winery produces only red or white, don’t worry! We’ll pair you up with complementary winery so both a red and a white are served.
